KEEN INSIGHTS
GLOBAL LLP

• CONNECTING INDIA TO THE WORLD •

We are leading suppliers of premium-quality fresh onions from Mumbai, India. Our onions are handpicked from trusted and reliable farms to ensure consistent quality, excellent taste, aroma, color and long shelf life.

Indian onions have a unique position in the global market and are highly demanded worldwide. We export to many neighbouring countries as well as to far off destinations.

ABOUT OUR ONIONS

Onions belong to the Allium family, which also includes Leeks, Garlic and Shallots. India is home to a wide variety of onions including Red, Pink, White and Mixed varieties, each known for distinct taste and spiciness.

Red onions are the most cultivated variety with bigger size, moderate spice and highest shelf life.

They are suitable for domestic consumption, processing, seasoning powders and have medicinal benefits.
